

OWNER SOLD A SECTION 8 PROPERTY

Name of Current Tenant _____

Address of Property _____

Current Section 8 Owner _____

Please answer the questions below:

1. I sold the property listed above on this date: _____

2. I would like for the housing authority to hold all payments going forward: **Yes** **No**

The Housing Authority will make note of this information in the tenant's file. If you have marked "yes" above for #2, then we will place all future payments on hold. This will prevent you (the previous owner) from receiving additional HAP from the Housing Authority. If we continue to issue payments under your taxpayer ID, then this money cannot be removed from your 1099 unless you return it to the Housing Authority.

The Housing Authority will not make any *other* changes until we have received paperwork from the new owner.
